Please lock properly your motorbike and use the chain wherever you stop for a while, especially at night, put the engine in the guesthouse or ask for the safest place to park :-)
 Flat tire maintenance: 5.000 to 7.000 kip, or 25.000 kip to change the whole air tube.
 On your way to the large loop, before the 71km trail/road, fill full your petrol tank while you can, around Sékong or Paksong for instance (depending on the direction you choose). Carte compilée et éditée librement par provincedechampassak : .free.fr ou facebook
